Specification

- Model Number: MP401
- Power Supply: 100 ~ 240 VAC
- Connections: ZigBee 3.0
- Product Size: 40x40x320 mm
- Rated current: 0.25A@220VAC/50Hz
- Rated speed:75/90/110 rpm
- Rated torque: 1 N.m
- Protection class:IP41
- Reception frequency:433.92MHz \pm 75KHz
- Reception bandwidth:150KHz
- Reception modulation:OOK/ASK
- Sensitivity:-107dBm
- Reception channels:16 channels
- Support curtain weight: 4m/40kg
