MISSED CALLS

3-WAY CALLS

Feature highlights:

- Adjustable 3-line display plus icon area, b/w inverted
- 5-way navigation key for easy operation
- Up to 2 SIP accounts
- Exceptional HD sound with HDSP™¹
- Multiple ringtones, selectable per line
- Headset connection: corded
- Ethernet (10/100) with 2-port switch
- Integrated power over Ethernet
- Classic PBX calling features²
- Direct dialing of Microsoft Outlook™ contacts via PC³
- Local network directories and public online directory¹
- SRTP/TLS encryption
- Professional zero-touch auto-provisioning setup²
- Certified hearing aid compatible⁴
- Wall-mountable (adaptor included)

Adjustable display always provides a comfortable view from different positions.

The intuitive user interface with an extra icon row on the illuminated black/white display grants easy access to the DE310 IP PRO's call management options.

Easy and convenient navigation.

Quick and ergonomic, the 5-way navigation key simplifies operation on the DE310 IP PRO, with real-time speed on phonebook-browsing and other professional features.

Straightforward setup and auto-provisioning.

Step-by-step wizards handle the DE310 IP PRO's complete installation and configuration. Auto-provisioning from Gigaset PBX and partners offers hassle-free remote configuration and management. Downloadable VoIP profiles guarantee an easy start.

Professional HD sound.

Exceptional HDSP™¹ sound on the DE310 IP PRO adds business efficiency: superb and clear wideband audio technology makes calls sound like face-to-face meetings.

DE310 IP PRO

The perfect IP phone for SMBs.
